

Energia are re-energising communities across Ireland.

We are delighted to partner with **GIY** for **Energia Get Ireland Growing** which will support food growing in communities across the island of Ireland with a fund of **€70,000!**

The fund will be split across three categories – **Sow**, **Grow** and **Harvest** with awards ranging from €500 to €2,000. Together GIY and Energia will award the grants to at least **85 community** food growing groups up and down the country. Click [here](#) to find out more.

Why not get your community group involved!

All you have to do is
click, apply and share at GIY.IE

Let's **#GetIrelandGrowing**

Applications are open until **January 26th 2017.**
