A New Heritage & Biodiversity Plan For the County of Galway - HAVE YOUR SAY

Galway County Draft Heritage & Biodiversity Plan 2017-2022 - Public Consultation

Galway County Council and Galway County Heritage & Biodiversity Forum has prepared a Draft Heritage & Biodiversity Plan 2017-22 and is looking for your views. The Draft Plan is available for review at The Planning Office, Áras anChontae, Galway County Council, Prospect Hill, Galway, all libraries and on www.galway.ie and www.heritage.galwaycommunityheritage.org

We would like to know what you think should be included in the new Heritage & Biodiversity Plan which aims to build on the achievements of the previous plans, while taking into account local, regional and national heritage initiatives and policy development.

The Heritage & Biodiversity Plan is a strategic document, dealing with heritage and biodiversity issues in the county of Galway and will include broad objectives and identify specific actions to achieve those objectives. It will not generally include site specific projects.
