

Ladies Football:

Congratulations to our very own Marie Ní Bhraonáin on becoming the new presenter of TG4's Peil na mBan Beo! Marie has been providing top class analysis on Peil na mBan Beo since 2011 and this new position is well deserved!! She is an integral player for Milltown Ladies and does trojan work behind the scenes for the club too! Wishing you every success in your new role Marie from everyone in Milltown GAA! Comhghairdeachas agus go n-éiri an t-áth leat!

Lighting it up for Level 5!! 📢 As the clocks roll back and the dark evenings grow longer, the number of outdoor areas for exercise within the 5km limit are few. Milltown GAA have decided that the lights at the pitch will be shining bright from 7-9pm Monday to Friday for the duration of lockdown to provide a safe place for people to exercise while adhering to government guidelines!

- ▶ Exercise within 5 kms of home
- ▶ It is possible to meet with 1 other household in an outdoor setting which is not a home or garden, such as a park, including for exercise
- ▶ non-contact training can continue for school aged children, outdoors in pods of 15
- ▶ All other training activities should be individual only

Please find the full list of guidelines below:

Prayer of Spiritual Communion

Lord Jesus, I believe that you are present in the Sacrament of the Eucharist and I desire to receive you.

Since I cannot at this moment attend the celebration of the Mass, I receive you spiritually into my life and I unite myself wholly to you.

Never let me be parted from you.

“O Sacrament most Holy, O Sacrament Devine, all praise and all thanksgiving, be every moment thine”

I pray this through the same Christ Our Lord, Amen

International Winners!

Following on from Milltown Heritage Group's victory in the National Heritage Week Awards, we are pleased to announce that the Irish Community Archive Network (ICAN) of which we are part of have won the *Best Networks of Archives 2020* in the UK & Ireland Community Archives and Heritage Group (CAHG) awards 2020. The ICAN initiative enables communities to collect, preserve and share their heritage on an online platform.

This is a marvellous achievement and the support framework we receive through the ICAN network has been instrumental to us producing and sharing a large volume of our local heritage. It has resulted in us receiving recognition on a local, regional, national and now on an international level. Our website gives us the opportunity to grow and connect with others. We get to meet other community groups and learn from them, they may have expertise in places we do not or vice versa.

Congratulations to project development officer Lorna Elms on co-ordinating the ICAN Network and assisting us with making our website the best it can be. Lorna's support and encouragement is much appreciated by Milltown Heritage Group since we joined the ICAN Network in 2014.
