

To any one of them. John  
writes to me often. But I never  
expect to hear from Patt. I  
wrote to him but he never  
answered. I guess I can live  
without him. Don't be telling  
neighbours or friends anything  
that I should write about ourselves.  
It's a wise man that will mind  
his own business. I found that  
out long ago. We had a letter  
from Patt. In. ~~Utah~~ from  
Alaska. he is well. The  
country is not as good as he  
expected. Dan was away  
with the 7<sup>th</sup> Regiment  
from here. He is working now  
& looking fine. It done him  
lots of good. to travel.

I am glad the war is over  
the Country will be much better  
now. Time has been very  
dull lately. I am glad to  
say I have no cause to  
Complain I have good  
Health & getting along nicely  
hoping all of you are  
the same.

I will now  
conclude with love and  
best wishes from  
your affectionate Son

J. P. McKush
