

Keep this Secret
If you please

Brother
advise by no means to confide
with any body after you leave
Home until you reach the
Coast. Be frightened of the voyage
for the are the quietest & most
you ever will see plenty to eat &
within 2000

might be the same here
so far from it. I shall
be able to send you some
more money soon don't
despair you shall receive
plenty from us while you
live after another month
or two my uncle's business was
nearly as poor as I'm when
I arrived in Sydney through
bad luck be sure to keep
this secret to yourself
