Dear Cousin

I now sit down to write these few lines to you hoping to find you in good health as it leaves me very poorly at present. I have been bad since Christmas time. I think that I shall not be able to see you anymore. I am very bad. I have sent you a souvenir. I think it will help you a bit in your old age. I think that is all at present.

From your dear cousin and you must give my love to all inquiring friends. So, goodnight and God bless you for the present.
