Kilkerrin plans mini

KILKERRIN, one of North

little villages, is getting into

the entertainment business

in earnest this year-with

The three-day affair from

June 21st to 23rd is being

organised primarily to pro-

vide a bit of midsummer

entertainment for the local

people and visitors to the

its own mini festival.

area.

Galway's most ambitious

One of the highlights of Particus the programme will be the on sport opening of a folk exhibition will be in a temporary museum G.A.A. which will house hundreds angling,

The Midsummer Festival and Daon - Scoil (Folk School) is being organised by members of the Pilot Area Committee and is attracting considerable interest in the locality.

of antiques of local import-

Particular emphasis is laid on sporting events and there will be a whole range of G.A.A. matches, athletics, angling, pony and donkey races, tug-o'-war and scores of other competitions.

OPEN-AIR DANCING
Night time entertainment
in the festival village will
include open - air dancing,
song and music, barbecues,
and public house sessions—
with bonfires galore.

Fringe events will range from fancy dress parades for young and old to weight throwing and stock judging at a Macra Field evening.

Men behind the festival

are chairman John Gibbons,

secretary Michael Keane, and the ladies are Mrs. Ml. Martin, Mrs. Tom Cuddy and Mrs. Brian O'Higgins.

Few villages the size of Kilkerrin have ever attempprogramme of events, but the organisers are confident that the festival from Midsummer's Night to Bonfire Night will be a complete success.

festival

A spokesman for the committee said yesterday: "It is an ambitious undertaking but we believe that it will provide a few days of worth while entertainment for all of us."

Galway Welcome fo the new Ministers

ITALIAN ARTIST'S EXHIBITION

national on the art scene again this week, when the Kenny Art Gallery at Salthill stages an exhibition of paintings by the Italian actist, Lydia Ricci Barro.

The exhibition, which sponsored by the Italian Cultural Institute, Dublin, will be opened on Friday evening, 6.30, by Mr. Frank Forde, Professor of Romance Languages at U.C.G. Dr. Carlo Predome, Direc tor of the Italian Cultural Institute, will also speak. Born in the countryside near Venice, Lydia Ricci Barro is descended from two generations of painters on her mother's side and has been interested in art from a very early age. She came to Rome at 18 and associated with the studio of Giorgio Di Chirico.

Last year she participated in an exhibition in New York of paintings by European artists, and she had a one-man show in Rome last December.

Married to Dr. Giovanni Ricci, a professor of Neuropsychiatry in the University of Rome, she has two

daughters.
This is the artist's first show in Ireland.

U.C.G. Professor to talk on Cancer

Research

Professor Sean M. Lavelle, Director of the Department of Experimental Medicine, U.C.G., will represent the Medical Research Council of Ireland, the Irish Cancer Society and the Irish Association for Cancer Research at the 10th International Cancer Congress to be held in Houston, Texas, commencing on May 22nd.

The Congress is organised every four years by the Union of International Cancer Control with headquarters in Switzerland, and will be attended by delegates from 75 countries.

The purpose of the Congress is to review and debate the progress of research, and the programmes of cancer control and prevention throughout the world.

Professor Lavelle has been

Professor Lavelle has been invited to present a paper on his experiments over the past three years on the "Effects of extracts of marine molluscs and related substances on growth of chemically induced tumours." The Irish Cancer Society financed this study to the extent of £6,300.

Dr. Carol D. Blair, Ph.D., Dept. of Bio-chemistry at Trinity College, Dublin, will also be attending the Congress under a Travel Fellowship awarded by U.I.C.C. to "outstanding young cancer research workers."

CITY ROADS

Galway County Council may lose its 44-year-old grip on city roads in the near future. Since 1926 the Council has responsibility for the roads—but this week the Corporation are thinking over a plan which would give them back control over city roads.

MCD THO HULL

C.I.E. UNDER FIRE FROM TUAM

O C.I.E. bosses in Galway are under fire from Tuam for their

failure to repaint the rusting railway bridge at the Athenry

Road entrance to the town. Tidy Towns Committee chairman

Mr. Miko Kelly commented "It is a disgrace and I don't know

how we can make any progress when an outlit like C.I.E.

refuse to co-operate." Judging to the contest commences

ARCHBISHOP TO GET ORDER, OF MALTA CROSS

The Archbishop of Tuam, Most Rev. Dr. Cunnane, will be honoured by the Order of Malta on Sunday next, when he will be presented with the Cross of Chaplain Conventual.

The cross, which will make him an honorary member of the Order, will be conferred on him by the Irish President of the Order, Mr. Noel Peart.

The ceremony will take place in the Cathedral after 12.30 Mass, which will be celebrated for the living and deceased members of the Order of Malta.

On his arrival in Tuam on Saturday night, Mr. Peart will be received by the Archbishop and given a civic reception by the Town Commissioners.

Addresses of welcome will be presented on behalf of the Commissioners and Chamber of Commerce, and a reception will be held in the Imperial Hotel.

On Sunday, Archbishop Cunnane will present First Aid certificates to cadet members of Tuam Order of Malta ambulance unit.

tuam wants man on development team

Tuam is demanding representation on Galway's County
Development Team — this
week a request is being sent
to County Manager Austin
A. Sharkey asking for the
co-option of a Tuam man on
to the team.

The request comes from the Town Commissioners, who are dissatisfied that the county's second largest town has no representation on the industry hunting team.

Said Mr. Miko Kelly "We

Said Mr. Miko Kelly "We are entitled to have a man on this board. Unless we go out and sell ourselves, we will never get any new industry."

Ballinasloe Farm Blaze

Ballinasloe fire brigade rushed to quell a big fire at the home of Mr. Paddy Madden, Deerpark, on Thursday night.

When the brigade arrived they found a shed in the yard ablaze. The contents included plumbing tools, car batteries, chairs and other furniture. The shed, which was felt covered, was completely destroyed as were most of the contents. At times the situation looked dangerous as two motor cars and two oil containers were in danger. Eventually the outbreak was got under control and no serious damage was caused to the adjoining dwellinghouse.

On the following night the brigade received a call that the Ahascragh grain mills were on fire but after the seven mile dash discovered it was a bogus alarm.

INDUSTRIAL SITE

OTUAM Chamber of Commerce has been offered an 11-acre industrial site for £5,500, it was announced on Tuesday night. The site is on the Gardenfield side of the town and outline planning permission is now being sought.

SCHOOL BUS

Milltown N.S. is to get a new school bus service—it will serve families living on the Ballindine side of the town. Following representations made by Mr. John Donnellan, T.D., the new service has been sanctioned by the Dept. of Education. It will be introduced within the next few weeks.

MORE GARDAI

A request for an increase in the strength of the Garda force in Tuam has been made by the Town Commissioners.

Mr. Gabriel Browne commented: "We are on a busy arterial route and we need more Gardai for the sum-

£12,000 CAR PARK

O The proposed £12,000 car park over the River Nanny at the end of Shop Street, Tuam, may yet get County Council approval.

The cost of the proposed parking lot, which would accommodate 65 cars, isn't exorbitant, the Chamber of Commerce were told on Tuesday night.

TENNIS COURT

Roadstone Ltd. have agreed to re-surface the tennis court in the Palace grounds, Tuam, it was announced at Tuesday night's Chamber of Commerce meeting. The Chamber had complained that the surface had not been properly laid. "The work will be done free," secretary T. G. Canney told the meeting.

THE LET

Believe it or not..

Tommy Carty . . . with that long delayed letter.

Paddy Brett and Tom Begley . . . with that fish.

SPARE THAT SQUARE...

RESIDENTS in Ballinasloe
do not want the town's
proposed new road routed
on to St. Michael's Square.

This was the unanimous decision taken at a meeting of the Development Association on Friday night, and it was decided to so inform

the Urban Council.

It was pointed out that the square was a most valuable amenity which the town had enjoyed for many years.

Instead of the by-pass, it was suggested that parking should be restricted to one side of Main Street on alternate periods.

TREE PLANTING IN TUAM An appeal for a County

Council tree planting programme for Gilmartin Road, Tuam, was made at the Town Commissioners meeting by Mr. Miko Kelly.

"Trees have already been planted along Athenry Road and I think it would be a big advantage to Gilmartin Road if similar planting was undertaken," he said.

THAT GOT

THE postman from
Tuam didn't knock on
Tommy Carty's hall door
on the morning of Monday, March 9th . . . even
though he should have
been getting a letter from
a friend.

For the letter, which was posted in Milltown two days earlier and addressed to Tommy at his home in Bermingham, three miles feet. The way well on its feet to Zermingham, U.S.A.—instead of Bermingham, Tuam.

And for the next two weeks the envelope was ferried up and down the state of New York from Bermingham to Jamica and on to Kennedy as some U.S. mailman tried in vain to locate a Tommy Carty.

Eventually it found its way into the New York Post Office return post section and was landed back in Ireland—and after a 6,000 mile trip was delivered safely to Tommy a month later.

Yesterday he told us "I was amazed when I got the letter covered with American post office stamps. Obviously it made quite a trip before finally returning to Tuam."

THE FISH' THAT DIDN'T

anglers Tom Begley, from Milltown, has been spinning tall yarns for many a long day . . . but after his "two in one" catch last week end he has a tale to cap them all.

For on Thursday evening, Tom, who was doing a spot of fishing in the Clare River a few hundred yards from his house, fanded a huge 9 lb. pike which had earlier swallowed a fine 2 lb. trout.

Using a hand-made copper spoon, Tom played the pike for 20 minutes before he landed him. He couldn't believe his eyes when he saw the fine trout which the pike had breakfasted on.

"It happened once before but it is very rare to catch a pike with another fish," he said. "It certainly shows the damage that pike are doing in our fishing rivers."

Paddy Brett, from Tuam, who was fishing with Tom at the time, commented: "This was one of the biggest pike taken from the river in years and it shows the damage they are causing very clearly."
