SHOWJUMPING GLOBAL CHAMPIONS LEAGUE

Duffy helps Miami Celtics to stunning victory

A FLAWLESS performance from Turloughmore's Michael Duffy and Tipperary's Shane Breen led Miami Celtics to a fantastic win in their home leg of the Global Champions League on Saturday at Miami Beach, Florida.

The Irish pair started the day in fourth place on six faults following Thursday's opening round. When Breen with Ipswich van de Wolfsakker, and Duffy riding Quintano, both jumped clear in the deciding round and the other teams around them started to pick up faults, Miami Celtics rose to the top of the leaderboard to secure a memorable victory.
