My Dear Father & Mother.

Its so long since I wrote you, I know you have me in the black book. But you will realize what it means if I honestly tell you I did not have a minute to do so. I have been writing you for the past six weeks & finally I know it must be done to get there for xmas.

Well Dear Folks. I know you have heard we got a baby girl. Born Oct 20th her name is Margaret Mary she is fine. also her mother & just Kathryn & Michael H. It seems that I got a crowd already and God knows. I know it.

where Glory never fails.

The Children dearly loves their
little Sister while their Mother
was in the Hospital the poor kids
thought she had gone & left them
John & Ra are getting along well
at School. # and 3rd Grades.

Kate & Pat are fine. I am sending
you Dear Father & Mother a little sum
of \$2. from your youngest Gr daughter
and hope & pray that some day
I may see you all & have a long
talk Sincerely wishing you a happy
Xmas. from my very heart. a prosperous
& a joyful new year will close late
from your Son John. Wife

+ Children J. K. M. M.
May God Bless you all

I will say its awful hard on
poor Bessie as Baby is quite cross
then the children going to school
means lots of work. I my self have
been transferred about 12 miles from
home, so you see I leave about 6.30am
& get home 9.30 am. So you see what
that means to her I so much away.
How are you all? I received letters
from Julia Nellie & Mary. But I have
no time to write. Have them write me
often and please forgive me for my
not writing. Every Body is fine
my foot is almost ok. again.
I often think of you all and the
long long sleep in the mornings
no worry & no care.
Never the less we are all on that road

Dear Mother & Father:

I suppose you folks think
it's about time for me to write a few
lines but of course you know I am
kept busy. We are all well and I
hope each & everyone of you are the
same. I have heard so much about you
folks and hope to have the pleasure of
meeting you some day. I am glad the
baby is a girl as she will be company
for Kathryn, she is getting along fine.
We were invited over to Kate's home
and certainly enjoyed Thanksgiving dinner
they are well, she has a fine baby boy.
Pat, his wife and the baby were here
this afternoon, they have a fine baby too.
I guess this is all the news this time.
Wishing you all a Merry Xmas and a
Happy New Year. Your Daughter, Bessie.
Love and kisses from all.
