We went to the museum in Milltown. The museum is in Milltown Community Centre. Milltown Heritage runs the museum. We met Frank Pauline and Margaret. I saw a fox type writer, hot water bottle, an old bullet, iron with a slug, cash register, old pictures, sewing machine, harp, accordion, telescope, 5 old books from shop's old farming equipment and a lot of other things as well. My favorite items were the typewriter, sewing machine, accordion, books, cash register and the pictures because all of the items I like take all from a long time ago and I saw my Grandad in the pictures. The museum is so special because it was old footballer's and I saw my grandad Jane. It has old items from Milltown.
